

B: INTERNATIONAL BACCALAUREATE ORGANIZATION

The International Baccalaureate Organization (the “*IBO*”) is committed to improving and promoting its educational programmes and the teaching and learning that take place in its authorized schools. It runs teacher-training workshops and publishes promotional materials such as the magazine *IB World*. It also publishes training materials, both in printed form and on CD-Rom, for schools and for sale, and on its password-protected web site for teachers. These training materials are greatly improved if samples of student work are shown. The IBO would much appreciate your permission for the future possible use of samples of your child’s School work or of images of him/her engaged in class work or School activities, should the School select them for submission.

Please check one box in each section below to give the School the necessary authority. Then sign and date the form. It will be retained by the School and kept with your child’s School record.

Section 1: Child’s School work

- On behalf of my child, for consideration which I acknowledge, **I hereby grant a non-exclusive worldwide license** to IBO to use any of my child’s work that the School chooses to submit, in whatever medium (including written work, audio and visual materials). I understand and agree that IBO may reproduce and publish the materials in any medium for training, promotional or other purposes in relation to the IBO’s activities or those related activities which it approves. I further understand and agree that these materials may be modified, translated or otherwise changed to meet the IBO’s purposes **and will be anonymized to protect my child’s identity.**
- On behalf of my child, **I do not give permission** to the School to submit his/her work, in whatever medium, to the IBO for the purposes described above.

Section 2: Child’s visual image

- On behalf of my child, for consideration which I acknowledge, **I hereby grant permission** to IBO to reproduce photographic and video images of my child, taken in the course of approved School activities and in circumstances under the control of the School, in whatever medium, as described above. **I understand that the identity of my child will not be revealed.**
- On behalf of my child, **I do not give permission** to IBO to reproduce photographic and video images of my child, taken in the course of approved School activities and in circumstances under the control of the School, in whatever medium, and, therefore, ask the School not to include my child in any activity that will be photographed or videotaped for submission to IBO.
